SECURITY COMMITTEE

CONFIDENTIAL

OF THE

U. S. INTELLIGENCE BOARD

MEMORANDUM FOR: Chairmen of Committees of the U. S. Intelligence Board

SUBJECT : Coordination on Security Interests

1. The Security Committee is specifically charged in DCID 1/11 with promoting means by which the intelligence community may prevent the unauthorized disclosure of intelligence, intelligence information, or intelligence sources and methods. In this activity it is also directed to coordinate closely with other Committees of the Intelligence Board having related security responsibilities.

2. As a necessary aid in carrying out these responsibilities, it is requested that the Chairman of the Security Committee be informed of actual or suspected unauthorized disclosures or compromises of intelligence, intelligence information, or sources and methods that may come to the attention of other Committees of the Intelligence Board.

3. It would be particularly appreciated if you would arrange to supply the Security Committee with information copies of any papers dealing with security issues which are under consideration by your Committee. In the case of compromises arising from inadvertencies of a technical or administrative nature and concerning which an individual committee may take direct or referral action, a report of such action is also requested.
